

## **Community Service Student-Initiated Project (CSSIP) School Approval Form**

Signature of School Contact Person:

The CSSIP credit option enables students who make a contribution to their community by volunteering for worthwhile causes or organizations to receive recognition for the civic knowledge, skills, and attitudes obtained in the volunteer activity.

The volunteering done by students participating in this CSSIP is not the responsibility of the school, school division, or Manitoba Education but an opportunity made available to students to obtain credit for private activity—students provide documentation on their project completion to the school following completion of the activity.
